# An Immersive Summer Journey at HKU

HKU Summer Institute (HKUSI) is committed to providing enriching learning opportunities and a short-term summer experience for students worldwide. Our programmes are thoughtfully designed to enable students to explore their academic interests and professional pathways while enjoying a fruitful learning journey at Asia's top university - The University of Hong Kong.

Each year, we offer a series of diverse, interdisciplinary immersive programmes that cover an extensive range of fields. These include AI, Creative Industries, Climate Education, Entrepreneurship, Digital Transformation, Multi-location, Sustainability, and Research. In collaboration with different faculties, we also offer numerous faculty programmes in Data science, Journalism & Media, Science, and Social Sciences. Some of these programmes offer credits. We strive to help students seize opportunities to build meaningful connections and broaden their international networks, thereby enhancing their future professional development.

## Residential Life

Engage students in a diverse community, embrace cultural exchange, and create lasting connections in our unique residential halls and colleges.

## Social & Cultural Activities

Immerse students in the local culture through guided tours, cultural workshops, language exchanges, and interactions with local communities.
